Planning

A lively color palette, including green, black, pink, orange, aqua, brown, gold, gray, blue, yellow, and peach prints and solids, creates a wonderful scrappy effect in this quilt. All fabrics were designed by Pat Bravo, Bari J., and the Art Gallery Fabrics In-House Studio for Art Gallery Fabrics.

To prepare piecing templates, trace on template plastic, including seam lines, grain lines, and match points. Cut out directly on outer lines. Make small holes at match points using an awl or large

needle. Place templates right side down on wrong sides of appropriate fabrics; mark around templates. Cut out fabric patches and transfer match points to wrong sides of each.
